

Green Trends in Today's World

DS&T, your redesign team, supports the movement toward utilizing renewable resources. As redesigners, we strive to reuse existing items in our clients' homes to create a fresh, new look. Redesigning in this fashion creates a more eco-friendly environment for your family and helps preserve the world's natural resources.

Here are just a few of the eco-friendly resources and products that are available:

Products:

- Cork
- Linoleum
- Low VOC Paint
- Recycled Countertops
- Natural Fabrics
- Reprocessed Glass
- Rubber Mulch
- Composite Decking
- Reprocessed Plastic
- Carpet Tiles
- Eco-Friendly Furniture Oil
- Recycled Concrete

- www.benjaminmoore.com (low VOC paints)
- www.greenfusiondesigncenter.com (furniture)
- www.merrifieldgardencenter.com (organic gardening and pest control solutions)

All Purpose Cleaning Solution

- 1 cup vinegar
- $\frac{1}{2}$ cup baking soda
- 1 gallon water

Mix well. Great for soap scum and hard water stains!

Give us a call! We'd love to help you "think green"!
